Some pictures are usable to general layout ideas but not what we needed.0 of 0 people found the following review helpful. Dated Remodeling Kitchen BookBy DovieThis book is dated 2004 which I consider dated material. It does not have the newest kitchen cabinets and appliances I am looking for my new kitchen of 2017. Disappointed.0 of 0 people found the following review helpful. Wonderful Idea Book!By BeadsaplentyPacked with pictures and numerous ideas. Especially love the pantry ideas!
