Lloyd Vogt : New Orleans Houses: A House-Watchers Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised New Orleans Houses: A House-Watchers Guide:

0 of 0 people found the following review helpful. AwesomeBy Amy LasserI loved my Book. I live an hour away and have Retail stores in New Orleans for the last 14 yrs. I have a lot of appreciation for the Beauty of the homes and etc. in New Orleans. This book shows you all the different style New Orleans homes that evolved threwh history. It is amazing to the Loveliest homes around the world .Amy B.[...]0 of 0 people found the following review helpful. Five StarsBy Lara S.Love how he details New Orleans houses15 of 16 people found the following review helpful. Architecture that helps the amatureBy A CustomerI've read many other books (both photographic and textual) about New Orleans architecture. The great part about this one is that it's all line drawings which makes the elements of the houses very distinguishable and crystal clear. A great companion for New Orleans fans to deepen their appreciation.

More than 100 sketches of common house types and styles, maps of the city showing the architectural development in each period, and a glossary of architectural terms.

From the Inside FlapLloyd Vogt was one of Pelican's most popular and successful authors. His New Orleans Houses: A House-Watcher's Guide, now in its sixth printing, is the standard reference guide to building styles in the Crescent City. He also wrote Historic Buildings of the French Quarter, winner of the Louisiana Endowment for the Humanities Book of the Year Award in 2002, and A Young Person's Guide to New Orleans Houses, a simplified version of New Orleans Houses: A House-Watcher's Guide.Vogt earned his architecture degree from Louisiana State University. He received numerous awards, including a traveling grant from the National Endowment for the Arts and a scholarship to study at the Fontainebleau School of Music, Art, and Architecture in France. In addition to his architectural practice, Lloyd Vogt was an active preservationist until his death in 2002.From the Back CoverLloyd Vogt was one of Pelican's most popular and successful authors.
