Fantastic!!By Matthew EverettWhether for the beginning woodworker or the advanced Master Carpenter, this book is a must have. It is a wealth of knowledge in one place, from types of wood to types of finishes for your project. In between, the book is jam-packed with helpful tips and general woodworking knowledge. I would recommend this book to anyone thinking about getting into woodworking and to the advanced woodworker as a reference.

A well-organized and progressive education covering all aspects of woodworking. Chocked full of valuable tips, tricks, charts, illustrations, photographs and projects Over 400 pages of instruction Woodworking Wisdom has been one of the best complete woodworking reference books on the market for the past ten years. The depth of information is exhaustive and covers all areas of woodworking. Whether a beginner looking for basic information or a professional looking for a better way to build a chest of drawers, Woodworking Wisdom offers the woodworker complete, detailed

and easy-to-follow instructions.
