(author) Victor Papanek (author) James Hennessey : Nomadic Furniture: D.I.Y Projects That are Lightweight and Light on the Environment (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Nomadic Furniture: D.I.Y Projects That are Lightweight and Light on the Environment (Paperback) - Common:

0 of 0 people found the following review helpful. Great read. Very happy to add this to my bookshelf.By sgwFun stuff. If you haven't seen this book first-hand, it's worth the purchase. The handwritten "font" that the book is written in is over the top: kinda hard to scan/skim and not enough white space on the pages. But the furniture and living space designs are fun, and the book is very informative on designing load-bearing furniture. It'll definitely give you some new ideas about elegant/efficient design. It'll also make you say: My gosh, they've been doing this same type of furniture for how many years, now? (some of the "new" designs are old as the hills, it turns out.)2 of 2 people found the following review helpful. THE Hippy Furniture BookBy CustomerI first met this book about 40 years ago, and it still holds me fascinated. Through the magic of eBay (and now) I have replaced my lost or worn-out copies once or twice, and I never tire of re-reading it and recommending it. My husband and I have followed the instructions and plans for many of the items in the book, and now that we're old empty-nesters, it's time to start over with the minimalist household furnishings. This is a gem that DIY people NEED!0 of 0 people found the following review helpful. A starting pointBy D. ArnettS source for ideas but not likely to be directly implemented from reading. It also

requires more than just a fundamental skill level to achieve some of the projects.

Victor Papanek and James Hennessey set out to change the world in the mid 1970s, empowering the people to create their own inexpensive furnishings. Their books, *Nomadic Furniture 1* and *Nomadic Furniture 2* are reprinted here in their entirety. In their vis
