Katherine Grace : Northern California Gardening: A Month-by-Month Guide; Updated, 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Northern California Gardening: A Month-by-Month Guide; Updated, 2nd Edition:

2 of 2 people found the following review helpful. Great for beginnersBy Home JoyThis book has been indispensable for learning how to garden. The best features are that it tells you what to do when and is specific to the region and climate. No glossy pictures is not a problem, just go to Internet for pictures (or other references). I've been able to successfully garden the first year I attempted and my husband thinks I have the best green thumb - Nope, just great help!0 of 0 people found the following review helpful. Great book!By Eswanson19The best book for Northern California gardening I have ever read. I love the way Grace writes too! Must buy!0 of 0 people found the following review helpful. good reference book.By bhalleyhsgood gardening book. i live in oakland, and it certainly does seem

targeted to that area, but there are lots of hints for higher elevations and the central valley as well. good for a relatively new gardener, like me. nice that you can start doing things at any time in the year.

Beloved perennial of the green-thumbed in the golden state, and now revised and sporting a gorgeous new cover, Northern California Gardening is a comprehensive, illustrated guide for both novice and expert gardeners. San Francisco Chronicle garden columnist Katherine Grace Endicott maps out the rewards of reaping what you sow from flowers and fruits to herbs and vegetables throughout Northern California. The unique month-by-month format helps readers find answers when they need them, while detailed information on native and nonnative species and basic planting and pruning techniques make carefree gardening easier than ever. Add to that a completely new and updated source list, and finding just the right plants and seeds is as simple as watching them grow.

About the Author Katherine Grace Endicott, award-winning columnist for the San Francisco Chronicle, also writes about gardening in California for a number of other newspapers and magazines from her home in the San Francisco Bay Area.
