Just what we needed when we moved to Washington By southwestforus When my family relocated to Washington state from Southern California, we had no idea what we could plant and grow and what we couldn't. We used this book for years, until we moved to Arizona. This book has what you need to figure out what to do in a new climate. 0 of 0 people found the following review helpful. Beautiful Garden Photos By StandingTall This book contains lovely pictures along with good general information on a variety of trees, shrubs, flowers, shade plants and sun plants. If you want inspiration and motivation to spruce up your garden, this book will help. 0 of 0 people found the following review helpful. New to WA By New to WA We are new to the area and were looking for some help with what we could plant and how to take care of our plants during the upcoming seasons. Wonderful book, just what I was looking for.
