From Brand: Random House UK : Notes from the Garden: A Collection of the Best Garden Writing from the Guardian and Observer before purchasing it in order to gage whether or not it would be worth my time, and all praised Notes from the Garden: A Collection of the Best Garden Writing from the Guardian and Observer:

Pieces written by the papers stellar list of gardening correspondents Vita Sackville-West, Penelope Hobhouse, Monty Don, Carol Klein, and Christopher Lloyd chronicle the relationship between people and their gardens from 1856 to the present day

About the Author Ruth Petrie is the editor of *Cuttings: A Year in the Garden with Christopher Lloyd and The Guardian Book of the Countryside*.
