**Andrew Fuller : Nut Culturist: A Treatise on the Propagation, Planting and Cultivation of Nut-Bearing Trees and Shrubs, Adapted to the Climate of the United States ... Otherwise Useful Nuts (Gardening in America)**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nut Cultivist: A Treatise on the Propagation, Planting and Cultivation of Nut-Bearing Trees and Shrubs, Adapted to the Climate of the United States ... Otherwise Useful Nuts (Gardening in America):

""Andrew Fuller's 1896 guide is a comprehensive source of information on the culture of nuts, both tree and shrub based, in the United States.""

About the Author Andrew Fuller, clinical psychologist and family therapist, works to create resilience in families, communities and schools. He specializes in how children learn and how their educational outcomes can be improved. He is the author of Help Your Child Succeed at School, Raising Real People and Beating Bullies. He lives in Australia.
