only downside is AMAZON not packaging properly and goods arriving damaged. Let's face it, returning goods is a pest that nobody wants to have to handle. HOWEVER, the book itself is a delight. The photos are beautiful and I am enjoying the text, but have only just started. There is a lot to look at in this book of wonderfully decorated and detailed houses. Furlow Gatewood's style reminds me of the chateaus my husband and I stayed in while travelling in France. Plenty of beautifully curated collections adorn tables, books at every turn and a feast of fabrics. If you are after a guide for a relaxed and comfortable home that hints of French country side, I recommend this book. When it comes to interiors style, antiques, and Southern vernacular architecture, Furlow Gatewood is a one-of-a-kind classic-this book presents his magical private enclave for the first time. Antiques expert Furlow Gatewood's highly personal property in bucolic Americus, Georgia, where he has meticulously restored his family's carriage house and added intimate dwellings and outbuildings-several rescued from demolition-has evolved over decades to become a sublime expression of stylish living. The structures exemplify various architectural traditions-from mid-nineteenth-century Gothic to Palladian. He has collaborated with local craftsmen to create these follies and takes delight in designing the picturesque grounds and plantings and in devising comfortable areas for his beloved dogs and peacocks. A gifted designer and longtime associate of antiques dealer John Rosselli, Gatewood has a talent for discovering singular pieces with a poetic patina, composing custom paint finishes and subtle palettes, and knowing how to incorporate distinctive architectural elements. To accompany the book's atmospheric images, close friend Bunny Williams writes about the lessons she has learned from this master of discernment. Gatewood's seductive and hospitable Arcadian oasis, with its exquisite and timeless design, will have an enduring impact on the design community.
