Cinead McTernan : One-Pot Gourmet Gardener: Delicious container recipes to grow together and cook together before purchasing it in order to gage whether or not it would be worth my time, and all praised One-Pot Gourmet Gardener: Delicious container recipes to grow together and cook together:

How clever would it be to grow all the ingredients for an entire tasty dish in one garden pot? Well now you can, with The One-Pot Gourmet Gardener, which takes 25 contemporary and classic recipes and shows how to grow their ingredients in one chic container. Grow each recipe in one pot and serve them in another! The container recipes are

arranged by eating event from picnics to snacks to main courses and puddings, with drinks and dressings to accompany. Enjoy refreshing chilled Gazpacho, followed by tasty Courgette and Fennel Tart with healthy Micro-Veg Salad, topped off with delicious Summer Pudding, and washed down with Pimms Jelly. The one-pot recipes are for beginners and more experienced gardeners and cooks, and include a full step by step masterclass to sowing, growing and harvesting. Jason Ingram won Photographer of the Year at the Garden Media Guild Awards, 2014

"What a wonderful book!" "Well, this could be my favourite book of 2015..." "It really is a fantastic resource and perfect for beginner growers!" "This book shows how with a single pot and a handful of plants you can grow a beautiful container of plants but then harvest and use them in the kitchen too. Genius!" "With 25 tasty sounding dishes ranging from classics through to the more inventive and contemporary, and including the likes of Baba Ganoush, Redcurrant Red Cabbage Pickle, Beetroot Soup and Lemon Verbena Thyme Posset, it has certainly inspired me to give it a go!" "McTernan's book offers a thoroughly delightful solution ... and if the green fingers fail the recipes are still worth trying."
