More information than I thought. Exactly what I needed. Fast shipping. 1 of 1 people found the following review helpful. Helpful By M. Carter The book was very clear, direct and easy to understand. If you have a little knowledge about capentry then I suggest this book. It was well worth the price.

Covers how to lay foundations; frame floors, stairs, walls, and roofs; and install windows, skylights, doors, siding, wiring, flooring, trim, insulation, and more. New expanded edition now includes an Idea Gallery to inspire readers with

dozens of photos of completed additions.
