**Ortho Books : Ortho's All About Herbs** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ortho's All About Herbs:

0 of 0 people found the following review helpful. Great book for my needs By carol Great book for my needs. This was the very first year that I have planted a little herb garden. I am having a great time with it. It is great to go out and pick things to use in cooking. The book explains the varied ways you can save the herbs as well as how to use them fresh. Lots of great pictures also. 0 of 0 people found the following review helpful. Great! By Good Gravy Love this series of easy to follow gardening books. 0 of 0 people found the following review helpful. Great Book! By Kelly Poole Exactly as described and arrived in a timely manner.

One of the few herb books to cover the gamut of readers interest in herbs from growing them to using them for

cooking, skin care, fragrance and health. Complete instructions for harvesting and preserving 76 herbs, along with recipes for using them. Teachers readers how to design an herb garden, as well as incorporate herbs into the landscape. Growing instructions for each herb. Tempting recipes for herbal cordials, jellies, cheeses, and other foods. Complete instructions for making skin cleansers, poultices, shampoos, potpourris, scented candles, and more. Comprehensive encyclopedia categorizes 76 herbs as to their best use.
