Five StarsBy purdygood information0 of 0 people found the following review helpful. gardeningBy LaraineI like the book. There aren't many books on shade gardening one and this will be very helpful to me and my gardening.

Extensive, colorful encyclopedia makes choosing plants a pleasure.

From the Inside FlapHave a dark, dank spot where only wild things grow? There are better solutions than cutting down

the trees! Ortho's All About Shade Gardening helps you select and care for the plants that work best in the shadows. You'll soon turn that shady wilderness into a lovely, comfortable landscape.
