A glass of iced tea, a good book, the incomparable feeling of having nothing planned but to relax. Out on the Porch is the bestselling calendar that promises a year of sitting back and enjoying the simple pleasures in life. Every months full-color photograph transports you to a place where the breeze is gentle and the view is lovely. Sunlight streams across a Georgia porch just steps from a glassy lake. Boxes of red geraniums add a vibrant touch to a rustic Canadian cabin porch. A candy-colored Marthas Vineyard porch is a whimsical treat for the eyes. Accompanying the

photographs are evocative porch quotes from literature. It doesn't get better than this.
