Peter Murray : Outdoor Living before purchasing it in order to gage whether or not it would be worth my time, and all praised Outdoor Living:

Beautiful design ideas for the modern and traditional home. The Australian lifestyle now demands that the entertaining area of the home is part of the living area that was once known as the "family Room". Gorgeous designs and mouth-watering focal points and features combine to make Outdoor Living a "must have".

About the AuthorPeter Murray's work includes several lifestyle and fashion titles. He used his talents on motorsport in the mid-eighties after a successful career in the cricket world, and was appointed Editor of Prix Editions magazine as well as Formula One magazine - both international success stories. His involvement in Formula One led to several books. A contributor to several international publications, Murray release Sachin Tendulkar - Masterful in 2002, which became a best-seller and was released in South Africa, Australia, New Zealand and the United Kingdom. Currently working on a series of books for New Holland Australia, Murray is excited about the future of Australian publishing.
