**Anne Dickhoff : Outdoor Rooms II: More Designs for Porches, Terraces, Decks, and Gazebos** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Outdoor Rooms II: More Designs for Porches, Terraces, Decks, and Gazebos:

Outdoor Rooms II is an inspirational look at what one can do to create beauty and comfort in any outdoor space. Increasingly, homeowners are spending more money on their yards, not only to extend the physical space of the home for entertaining, but also because they have been shown to greatly increase resale value. For aspiring outdoor room creators, Anne Dickhoff takes readers on a guided tour of the world's finest terraces, porches, patios, gazebos, sunrooms, and garden rooms created by today's top designers and architects. With few books covering as many facets

of outdoor living as Outdoor Rooms II, this book provides ideas for all types of outdoor living situations presented in page after page of idea-inspiring design.
