**Tina Skinner : Outdoor Wood Works: With Complete Plans for Ten Projects (Schiffer Design Books)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Outdoor Wood Works: With Complete Plans for Ten Projects (Schiffer Design Books):

Outdoor Wood Works is a collection of ideas for improving the environment around our houses. From the fences that frame our homes to the walkways that lead to our front doors, this book explores ways in which wood can improve our little stake in the great outdoors. Hundreds of ideas are presented in full-color photographs. Permanent outdoor fixtures like benches and gazebos make the outdoors more comfortable while flower boxes, retaining walls, and other accents

add beauty. There's something for everyone in this book, from play sets for the children to bird and doghouses. Ten complete project plans range from the simplest of constructions—a screen around a utility box, a mailbox stand with planter, and a bench—to more advanced projects including a chair, a picnic table, and an outdoor storage shed. Designers and homeowners alike will love this idea-filled compendium of outdoor plans and projects.

About the Author Tina Skinner is a professional writer specializing in outdoor and design subjects.
