Painted Finishes for Walls and Furniture By A Customer This book by Susan Driggers offers the clearest step by steps for creating some of the most popular painted finishes today. The beautiful photography and detailed instructions make it a fun and functional book to own. Lots of project ideas and paint finishes. Great gift idea for the do-it-yourselfer.

Wash color onto wood, marbleize tables, or glaze walls. This comprehensive guide, with over 75 beautiful pictures, shows how to create a variety of textured and faux finishes using latex paint and easy-to-find tools. The 30 projects include a faux inlay camisole table; a marbleized fireplace; textured and ragged living-room walls; and a distressed cabinet.
