Better Homes and Gardens : Painted Furniture Decorating Ideas Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Painted Furniture Decorating Ideas Projects:

2 of 2 people found the following review helpful. Good for beginners like me...By D JonasI was really excited about this book, especially because I couldn't find many of them. It's not too informational but I like how they tell you whether it would take experience to do each project or not. I'm not sure if I may have overlooked something, but there aren't painting instructions for a couple of the pieces pictured... :) But besides that, I am pretty satisfied. Delivery time was great as well!0 of 0 people found the following review helpful. Five StarsBy David J. Modaywill see how we can paint furniture from these helpful guides0 of 0 people found the following review helpful. Five StarsBy tina campbellgreat book, lots of ideas !

Instructions for painted pieces in the kitchen, dining and living areas, bedrooms, nurseries, kids rooms, and outdoor spaces.
