Worth searching for to add to your library By D. Urban While out of print, it still shows what makes Paris apartments great. Taschen always delivers good quality books.

Featuring a broad cross-section of interiors, this book brings together a selection of over 50 apartments in Paris, chosen purely for their individuality. They include the apartments of celebrities from the worlds of fashion, design and film, such as Thierry Mugler, Andre Putmann and Isabelle Adjani, as well as the Zen apartment of Kircherer.
