**Jane Anne Staw, Mary Swander : Parsnips in the Snow: Talks with Midwestern Gardeners (Bur Oak Book)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Parsnips in the Snow:  
Talks with Midwestern Gardeners (Bur Oak Book):

1 of 1 people found the following review helpful. A Great Insight into the American HeartlandBy Patrick LydonAs a

committed gardener in Ireland, I found these profiles of a wide variety of gardeners in America's Midwest both fascinating and touching. On the sad side, these adult growers were mostly introduced to gardening as children helping their parents to produce essential foodstuffs for their family -- and as they told of their devotion to their gardens their grandchildren were in at the TV playing computer games. On the impressive side, the extraordinary variety of personalities and backgrounds painted a rich picture of American life.0 of 0 people found the following review helpful. Bill Hatke the LegendBy Schubert WermesleyThe chapter about the legend Bill Hatke is well worth the price of this book.0 of 1 people found the following review helpful. Floyd BrannonBy Kindle CustomerThose are my Grandfathers feet on the cover and there is a picture of him in it as well. He always planted the best gardens and the best vegetables I have ever had.....

Interviews with twelve gardeners reveal their approaches to growing vegetables and flowers in the harsh climate of the Midwest.
