Detailed enough for beginnersBy JamesFairly detailed instructions on materials needed and methods used to build sidewalks. Lots of photos as well. I think it will be the only book I will need to complete the two projects that I plan to build within the next two months.5 of 5 people found the following review

helpful. Great Book!By CliffOne of the many home depot books I purchased. Great step by step instructions with pictures. Makes all jobs a bit simpler. Really good price too.
