Andi Clevely : Patios (Jardinera en Casa) (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Patios (Jardinera en Casa) (Spanish Edition):

Whether it is a patio paved with stone or decorated with pebbles, this informed reference illustrates how a personalized patio can be built. To convert the space into a friendly, outdoor lounge, ideas concerning lighting, mobility, heating, and barbecues are explored. To achieve a natural atmosphere, the plants that are most adequate for the environment are also discussed. Sea un patio pavimentado con piedra o adornado con guijarros, esta referencia bien informada ilustra como se puede construir un patio personal. Para convertir el espacio en un acogedor saln al aire libre, se exploran las ideas sobre la iluminacin, mobiliario, calefaccin y barbacoas. Para lograr un efecto natural, se discuten las plantas ms adecuadas segn el lugar.

About the Author Andi Clevely manages a country estate and garden near Stratford-upon-Avon, Warwickshire. He is the author of several books and in 2003 won the Garden Writers' Guild Award for Practical Journalist of the Year. Steven Wooster is an award-winning photographer specializing in garden and plant photography.
