Steve Dobbs : Perfect Texas Lawn -OSI (Creating and Maintaining the Perfect Lawn) before purchasing it in order to gage whether or not it would be worth my time, and all praised Perfect Texas Lawn -OSI (Creating and Maintaining the Perfect Lawn):

0 of 0 people found the following review helpful. very informativeBy Lorraine A. Davisits probably a bit out dated as there have been new grass breeds developed - so 4 stars -but the basic information is invaluable!and I paid about 2\$ - its also well written and easy to ubderstand - so i highly recommend it

Gardening is now the favorite leisure pastime in America. Homeowners are realizing the health benefits derived from gardening and the increase in their home's property value. Book retailers are well aware that the trend in gardening books is to regional titles that provide credible information on the plants that perform well in specific regions. "The Perfect Texas Lawn" is written by the highly popular gardening expert Steve Dobbs. Lawns are the foundation of a great landscape. This series contains regional information on the best lawns for a southern landscape.
