**Claudia Pearson : Perpetual Harvest: What to Plant and Enjoy, Month by Month** before purchasing it in order to gage whether or not it would be worth my time, and all praised Perpetual Harvest: What to Plant and Enjoy, Month by Month:

0 of 0 people found the following review helpful. Gorgeous art piece!By omghah.Buy it for the art, not as a guide to harvesting produce.0 of 0 people found the following review helpful. Not a calendar - but still cuteBy JennaCame as described and in a timely manner. However, I was under the impression that this was an actual calendar - it is not. Still trying to figure out how to display this in my home.0 of 0 people found the following review helpful. Pretty PicturesBy H. BellI was a little underwhelmed with this item. I didn't think it gave enough information on planting zones. However, the pictures are pretty and the cards are sturdy (it is not a book.)

Gardeners and foodies will enjoy eating with the seasons and admiring fetching art with this set of ten gorgeous prints to display. The individual printsones for each month of the yearfeature artist Claudia Pearson's sweetly illustrated

produce and lists of what to plant, harvest, or look for at the farmers' market for warm, mild, and cold climates. The prints can be displayed individually or as an eye-catching set.

About the Author Mimi Luebbemann owns a 26-acre farm. She raises sheep, goats, and cows and works hard at maintaining a half-acre vegetable and flower garden. She also does a lot of farm education with local schools. She is the author of a number of books including; Heirloom Tomato Cookbook, Little Herb Gardens, Beautiful Bulbs, Heirloom Gardens and Salad Gardens. Claudia Pearson is an illustrator and artist. Over her 20-year-long career, her work has been published internationally in magazines such as the New Yorker, the New York Times and Elle.
