From Time Life Education : Pick the Right Plant before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pick the Right Plant:

0 of 0 people found the following review helpful. A friend of mine checked this book out from a ...By Granny AnnieA friend of mine checked this book out from a local library almost year-round, so I told her I could buy it for her from . She loves it!0 of 0 people found the following review helpful. Five StarsBy WOVery good book to have if you are into gardening.1 of 1 people found the following review helpful. Great resourceBy J. WeedonThe book is laid out very well, the descriptions of the plants are clear, and there is an excellent picture for each. The book is no longer in print, so get it while you can!
