Does not give instruction on how to actually sew and make the pillows.0 of 0 people found the following review helpful. Three StarsBy s j van burenI need clearer directions than this book gives but I will try to make a few of the pillows.4 of 5 people found the following review helpful. Best pillow book ever!By Lisa AmiriAnother must for any interior designer! This book tops all pillow books I have ever seen. I use this book so much, I purchased a 2nd copy "just in case" something happens to the original. I believe it is out of print but still available. All of Katrin Cargill's books are a must for any designers library!

Fabulous pillows in coordinating and contrasting fabrics are the finishing touch that pulls together a design scheme and they are in an inexpensive way to introduce punch and style to a room. Includes suggestions for using borders, trims, and decorative edgings to make pillows distinctive, plus pointers on choosing linings and fillings and caring for pillows. 100 color photos. 100 illustrations.
