Plants for Sale! - Owing Operating a Greenhouse for Profit Table of Contents Introduction Chapter 1: What kind of

greenhouse is right for you Chapter 2: Setting up your greenhouse for commercial growing Chapter 3: WhatWhenand How Much Chapter 4: Plants for Sale Chapter 5: Getting the Most from your Greenhouse Closing Remarks Author Bio Introduction The fact that you are reading this book tends to make me believe we are alike in the aspect that we both derive a great deal of satisfaction from helping and watching things grow. To this day nothing (except my grandkids) brings a smile to my face faster than a cheery and colorful array of zinnias. Theyre just the happiest flower I know! I will also venture to say you share similar thoughts in making your passion for growing things into more than just a hobby. Againwhy else would you be reading this book? Hopefully you wont be disappointed by what you read. Instead, this book is meant to provide you with the information necessary to begin to realize profits from your greenhouse. You will learn how to set up your greenhouse for commercial, how to determine what to grow and how much of it to grow, how to sell what you grow and even some alternative ways to profit from your greenhouse. Are you ready? Then start reading.
