Mike Lawrence : Play Equipment for Kids: Great Projects You Can Build before purchasing it in order to gage whether or not it would be worth my time, and all praised Play Equipment for Kids: Great Projects You Can Build:

1 of 1 people found the following review helpful. ExcellentBy Mama LouGrand "idea instruction" book for creating FUN for our grands! The creations are as simple or complex as you choose to use. I'd think you could modify or elaborate any of the published designs, as well.0 of 0 people found the following review helpful. Four StarsBy Vickie SorensenThis book has great ideas for play equipment along with supply lists and detailed instruction.0 of 1 people found the following review helpful. Three StarsBy PamGave to my hubby for projects. I found many he can make for the grandchildren.

With a strong emphasis on safety, author Mike Lawrence explains all aspects of making 31 sound, attractive, and

durable structures for a play yard, using a wide variety of techniques and materials. Clear, colorful exploded drawings illustrate every project. Materials list included. Color photos.

.com Maybe it's the kid in me, but I loved some of these projects and can easily imagine building bigger versions so that I can play, too! Detailed plans for sturdy and attractive swings, seesaws, climbing frames, playhouses, sand pits, forts and castles, pools, and outdoor furniture are included here, and I wanted to build them all. I bet you will too when you see this book. From the Publisher More than 30 easy-to-build projects for home, patio, and yard. Full-color plans and photos, plus exploded how-to drawings, show how to make attractive, durable play equipment. Offers designs suitable for all skill levels. The reader will learn how to choose the most appropriate materials, integrate play equipment into a backyard, and create exciting yet safe play areas. About the Author Mike Lawrence has edited the Storey title *Step-by-Step Outdoor Stonework*. He has also edited *Step-by-Step Brickwork* and *Play Equipment for Kids*, which are now out of print.
