Howard C. Massey : Plumber's Exam Preparation Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Plumber's Exam Preparation Guide:

2 of 2 people found the following review helpful. Great Book! By Saturn_25I bought this for a friend of mine to study for the Indiana Plumbers Exam. Money well spent! After using the guide he passed the exam with no problems. He said this book made all of the difference. 4 of 4 people found the following review helpful. Great study guide. By Lori Very informative. It contained a helpful practice test. It had sample questions included answers. Covered all topics. Would recommend to anyone. 1 of 1 people found the following review helpful. Five Stars By Jonas Wesley Robison Very helpful for exam. Thank you

This book is your guide to passing the plumber's exam. Whether this is your first try or your third and no matter what

state or county exam you're taking, the information between the covers of this book will help you pass. You'll find hundreds of questions and answers to help you pass the apprentice, journeyman, or master plumber's exam. Each answer is given for both the Uniform Plumbing Code and the Standard Plumbing Code. Questions are on all the topics covered in most plumbing exams -- standard and specialized plumbing systems, definitions of plumbing terms, vents and venting, traps, interceptors and separators, private sewer disposal systems, storm water drainage, plumbing fixtures, fire protection piping, gas systems, plumbing isometrics, and plumber's math.
