**A.H. Masterman, R.M. Boyce : Plumbing and Mechanical Services: Bk. 1: A Textbook (Plumbing Mechanical Services)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Plumbing and Mechanical Services: Bk. 1: A Textbook (Plumbing Mechanical Services):

This work is designed to cover the requirements of the syllabus in craft technology, working processes and associated

subjects. It is written in a user-friendly style and contains a wealth of illustrations and photographs.
