R. J. Puffett : Plumbing Services Vol 2 Waste Disposal, Roof Plumbing (v. 2) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Plumbing Services Vol 2 Waste Disposal, Roof Plumbing (v. 2):

This series covers the core curriculum in plumbing, draining and gasfitting. It is compiled by a team of experienced teachers and includes many diagrams and photographs to help acquire the necessary skills and understanding.

About the Author After serving as the Head of School of Plumbing and Sheetmetal in NSW, Bob Puffett went on to be Director of Staff, Principal and Assistant Director General, TAFE. Bob was made a Member of the Order of Australia (AM) for his contribution to Technical Education as Director of the Sydney Institute of Technology. Following his 'retirement' Bob became National Chairman of Worldskills Australia. He now serves on local community organisations and is a Board member of a NSW plumbing training organisation. Len Hossack is a former

Head of School of Plumbing at the South Australian Department of Technical and Further Education and has been actively involved in his local community and with the plumbing industry in South Australia for many years.
