Mark Edmundson : Pocket Hole Joinery before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pocket Hole Joinery:

2 of 2 people found the following review helpful. This is a great introduction to pocket hole joinery By Michael Lewin This is a great introduction to pocket hole joinery. I especially liked that the author spoke about the downsides to this type of joinery (which are mostly avoidable). The book includes some nice projects which highlight the types of things that can be done with pocket holes. 0 of 0 people found the following review helpful. Good starting point By Customer Great book to start with my kreg. Looking ot make a cabinet with is soon 0 of 0 people found the following review helpful. Expand the use of your pocket hole jig. By Old Salt Great book for using your pocket hole jig, and building 10 or so different furniture around the house.
