If you are planning a pool-need to see this book.0 of 0 people found the following review helpful. GREAT Idea GeneratorBy David E. ExlineGREAT book jam packed with creative swimming pool ideas!21 of 21 people found the following review helpful. Great Pool Book!By Mace ThomasI borrowed this book from the library (too many pool books are not worth buying), and spent the rest of the night looking at it. Great photo examples of various types of pools that are described in detail, along with chapters on Safety, Design, Landscaping, Materials, etc... One of the best!

Inspiring photography helps homeowners dream, plan, and select outdoor pools, spas, and hot tubs. Highlights how to choose and prepare a site and select installation specialists. Pros and cons for designing a custom pool or spa and upgrading or remodeling an existing one. Buying considerations for durable materials, pumping and filtration systems, and more. Advice on selecting attractive and functional decking, fencing, and other amenities.
