lex Snchez Vidiella : Pools DesignSource before purchasing it in order to gage whether or not it would be worth my time, and all praised Pools DesignSource:

0 of 0 people found the following review helpful. Gorgeous Pools for \$Million- Plus HomesBy David GurgelWonderful photos with minimal text of pools from around the world will provide inspiration to owners (snd their architects) of homes worth well over \$1 million. There is little help for the rest of us.0 of 0 people found the following review helpful. Three StarsBy Ernest Dwightmostly non-USA locations,very contemporary and "edgy" design

This volume in the DesingSource series illustrates a number of inspiring pools created by architects, designers, and

pool owners from around the world. The varied aesthetics of the pools shown in Pools DesignSource display numerous design ideas and examples for those who wish to create a pool of their own, or enhance their existing pool. These pools whether simple and minimalist or extravagantly decorated offer design solutions to create an attractive and personalized pool.

About the Author: Alex Sánchez Vidiella works for Loft Publications, where he is the author of numerous architecture and interior design books, including *The Sourcebook of Contemporary Architecture*, *The Sourcebook of Contemporary Houses*, *Atlas of Minimalism*, and *Small Eco Houses*. He has a background in art history, and lives in Barcelona, Spain.
