**Christene Barberich : Pottery Barn Outdoor Spaces** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pottery Barn Outdoor Spaces:

0 of 0 people found the following review helpful. Five StarsBy Mer'Love this book!0 of 0 people found the following review helpful. Beautiful BookBy Bluejay3000I love this book, I open it all the time for fantastic ideas, and even just to see a beautiful outdoor display. I love Pottery Barn- can't afford to buy all of my things from there, but I love getting ideas from their books.0 of 0 people found the following review helpful. great ideasBy Sarah MickneyI like this book as it gives you some good ideas on how to decorate for your outdoor party or simple living.

Celebrate the pleasures of the outdoors. Pottery Barn Outdoor Spaces is filled with inspiration and expert advice for planning and decorating outdoor rooms of all shapes and sizes. Create living rooms, napping spaces, and entertaining areas that extend beyond the walls of your home. In chapters devoted to everything from cooking and dining to playing and relaxing, you'll find quick and easy techniques for designing open-air rooms that reflect your style and are

a natural continuation of your favorite indoor spaces.
