Hugh. Piper : Poultry: a practical guide to the choice, breeding, rearing, and management of all descriptions of fowls, turkeys, guinea-fowls, ducks, and geese, for profit and exhibition

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Poultry: a practical guide to the choice, breeding, rearing, and management of all descriptions of fowls, turkeys, guinea-fowls, ducks, and geese, for profit and exhibition:

0 of 0 people found the following review helpful. great look into old world husbandryBy Chad R. BarrowI love seeing that there were ways to care for poultry that pre-dated WW2. The systems and attitude in this book become more timeless as our modern world attempts to solve old problems with complicated solutions.

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at www.hathitrust.org.
