A Landscape Designer's "Look Book"By dsgnsrvcsI'm not sure if it is the content or the photography, but this comes far from showing this designers best work. It's more of an overview of what she can do and not so much a Treasury of what she has accomplished. Almost a catalogue of garden styles...0 of 1 people found the following review helpful. Nancy Power is to landscape what Frank Gehry is to architecture, or Bunny Williams to interiorsa master, a visionary, a seasoned professional at the very pinnacle of her craft. The designs Power createswhether for parklands, playgrounds, or private sanctuariesreflect the meticulous attention she pays to each places particularity and to the desires and living patterns of those who will use and enjoy her gardens.

About the AuthorNancy Goslee Power is a celebrated garden designer based in Santa Monica, California. She has spent the last 30 years in the field of design, first as an interior designer in New York, then as West Coast editor for House Beautiful and as contributing editor to Food Wine. For the last twenty years, she has been passionately involved in garden design. Her firm, Nancy Goslee Power Associates, has designed countless private landscapes in the United States, Australia, France, and Germany.
