pty Reader's Digest Association : Practical guide to home landscaping before purchasing it in order to gage whether or not it would be worth my time, and all praised Practical guide to home landscaping:

0 of 0 people found the following review helpful. This is the most incredible and practical guide (just like the title) to ANY homeBy FrolicA true testament to Reader's Digest publishing company. This is the most incredible and practical guide (just like the title) to ANY home, for ANY landscaping issues....there is a solution. This book will move with me, to whatever home is next, it will be applicable. This book will never go out f style. Absolutely a must have. Thank you to my second hand book store for selling a beautiful copy. :)0 of 0 people found the following review helpful. Love the landscape designs!By spoiledrottencottonBeautiful retro landscape design. Great for getting that 70's feel in your landscape.0 of 0 people found the following review helpful. Extremely SatisfiedBy RichardThe book was in very good shape and I found it to be just as the description listed. The book arrived much faster than I thought it would and the price was terrific! Extremely satisfied and would recommend the seller to my friends. Thank you.
