Cathy Wilkinson Barash : Prairie Lands Gardener's Guide (Gardener's Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Prairie Lands Gardener's Guide (Gardener's Guides):

0 of 1 people found the following review helpful. Excellent book By S. Mccarthy The book arrived in perfect condition. There is a full color picture for every plant. Excellent book.

Gardening is now the favorite leisure pastime in America. Homeowners are realizing the health benefits derived from gardening and the increase in their home's property value. This book contains easy-to-use advice on the top landscape plant choices. It also recommends specific varieties, and provides advice on how to plant, how to grow and how to

care for the best plants.

About the AuthorCathy Wilkinson Barash is a lifelong organic gardener. She has written many books but is best known as the author of *Edible Flowers from Garden to Palate*, which Martha Stewart described as "very excellent." Recently, she moved to an apartment in a historic building near downtown Des Moines and started growing--mostly tomatoes and edible flowers--in large containers outdoors. She experiments with growing vegetables and fruit indoors to harvest through the winter.
