0 of 0 people found the following review helpful. Prepper and Organize your place!!By Reader\_01Two very helpful books in one download. This is called " worth it" .To organize our place is very important thing to do as a wife. I admit that I really find it hard to organize our place cause I have kids at home who enjoy playing around the house. Next book is for us to be educated on how to survive and become prepared at all times.All in all this book is very detailed.0 of 0 people found the following review helpful. I liked both booksBy Billy WilsI liked both books, but most of all a book about how to organize the cleanliness in my house,I listened to the advice from this book,and now my life has changed in my house at best. Also quite important a book is a book about how to behave in extreme situations,how to behave in common sense and act quickly. The author raised a very important topic. I advise you to read.0 of 0 people found the following review helpful. Organize Your Home Book seems to have an endless supply of useful tips of how to cut through all the clutter ...By MikePreppers guide contains information on how to find and prepare a bug out location and how to be prepared for natural and unnatural disasters. Organize Your Home Book seems to have an endless supply of useful tips of how to cut through all the clutter and finally organize your house and life for good. Definitely recommended!

Preppers Guide to Safe Survival and How to Organize Your Home (prepping, off grid, preppers pantry, decluttering and organizing, decluttering your home) PREPPER Preppers Guide to Safe Survival and Self-sufficient Living (survival books, survivalism, prepping, off grid, saving life, preppers pantry, help self) Are you prepared for the worst case scenario possible? Do you know what it takes to survive in an SHTF environment? Have you obtained a bug out location, made a plan for disasters, and stocked your medicine cabinet, as well as your pantry? If youve answered no to any of those questions, you might want to scroll up and grab a copy of this book. It has the latest information about bug out locations and how to find one, as well as how to prepare one. Having a place to go thats safe during an emergency could be the difference between you and your family surviving an SHTF event. With todays health concerns over the flu and other epidemics spreading across the globe, a scenario where you have to survive on your own is not that far out of the realm of possibilities. In this book, youll find:Information on how to find and prepare a bug out locationHow to prepare for natural and unnatural disastersWhat should be in your first aid kitWhat you need in your preppers pantryThe basics of getting startedAnd much more! Organize your home Cleaning and housework organization. Getting rid of clutter now. In what can be an incredibly busy world, you may find yourself wondering how you could make your home life at least a bit easier. What could you do in order to make the most effective use of your time at home and enjoy its aesthetics? This book will guide you in some easy yet effective ways to eliminate clutter and chaos from your home, once and for all! When you look around your living space, is there an area that is basically a catch all where piles of papers and other items make you shudder every time you glance in that direction? Do you feel guilty about a lack of motivation to fix that situation, yet continue to procrastinate about taking action? Not to worry! There are some basic solutions you can employ, and this e-book is specifically tailored to help you get organized, feel good about your home and yourself, and focus on whats most important in your life. These guidelines will save you time, aggravation and all of those unnecessary negative feelings about not being able to find what you need when you need it as well as making your home as appealing and welcoming as possible.
