Why should I prep? How do I get started? This book is a step by step easy read, guide that will walk you through the

beginning of being ready to take care of your family, in the event some natural disaster occurs, knocking the power out for more than a day or two. What do you do? how will you cook? how much food do you have on hand? what will you drink? what if you get hurt? this Book is for the Beginner, Start today, Live tomorrow.
