H. Brent Pemberton, John W. Kelly, Jacques Ferare : Production of Pot Roses (Growers Handbook Series)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Production of Pot Roses (Growers Handbook Series):

0 of 0 people found the following review helpful. not very usefulBy xxxthis was not a very useful guide on growing roses on a large scale ...too much jargon ,,needs to be simplified

A series of small handbooks intended to provide information for growers. They are working manuals for busy

professionals and include all the techniques needed to raise commercial plants profitably.
