From Jovis : Projects from Berlin: LichtVision, L-Plan Lichtplanung, Studio Dinnebier before purchasing it in order to gage whether or not it would be worth my time, and all praised Projects from Berlin: LichtVision, L-Plan Lichtplanung, Studio Dinnebier:

The right lighting can make or break a space: Professional lighting designers collaborate with architects, industrial designers and electricians to create harmony. This publication, which accompanies an exhibition at Berlins Deutscher Werkbund, considers several projects that utilize the latest technology in a fusion of light, architecture and art.
