Christopher Brickell, The Royal Horticultural Society : Pruning (RHS Encyclopedia of Practical Gardening) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pruning (RHS Encyclopedia of Practical Gardening):

Produced in association with the Royal Horticultural Society, the titles in this series have become standard works of practical gardening reference. Each book is illustrated with easy-to-follow, step-by-step illustrations that clearly guide

the reader through all the essential techniques of successful gardening. This text provides the techniques for pruning roses, trees, shrubs, climbing and wall plants, vines, and fruit trees, whose growth benefits from careful and systematic pruning.
