Mario Arturo Hernandez, Hernan Bustelo : Puerto Rico Tile Designs before purchasing it in order to gauge whether or not it would be worth my time, and all praised Puerto Rico Tile Designs:

2 of 2 people found the following review helpful. excelent book By Lizzie Eschenwald The book is excelent. It helped us to find a replacement pattern for the tiles we had in our house 1 of 1 people found the following review helpful. Great overview of amazing tiles. By Gungo Gives you just enough info and a great variety of typical patterns. I was able to find both the main pattern and border that I have in my house in Santurce. If you have an old house in Puerto Rico - you should have this! 1 of 1 people found the following review helpful. A JEWEL By Egidio Colon This book is a jewel for architects, decorator or anyone interested in puertorrican art and design!!!

Puerto Rico is best known for piOa coladas and Salsa music but it is also home to beautiful examples of Spanish Colonial and modern Caribbean architecture. In recent years, the tile industry in Puerto Rico has seen a revival of traditional designs and a new wave of tile design. This book contains stunning examples of tile designs from Puerto Rico. The enclosed CD contains the images for use as a graphic resource or for inspiration. The files can be used for high-quality printed media, web page design, to produce postcards, or to decorate your letters, flyers, etc. For many applications, single images can be used free of charge. Please consult the introduction to this book or visit our website

for more detailed information.
