Chris Jones : Quick and Easy Indoor Topiary: Crafting and Decorating with Nature before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quick and Easy Indoor Topiary: Crafting and Decorating with Nature:

This beautiful and inspiring book offers easy instructions for making and maintaining topiary displays using both live and dried plants. Introductory chapters explain selecting materials, including frames and containers, plus how to plant, train, prune, and clip the topiary. The 25 projects, grouped according to shape, feature step-by-step directions and full-color photographs of the finished design.

From the Back CoverAdd a fabulous finishing touch to your home decor with your own hand-crafted topiary displays Quick and Easy Indoor Topiary contains everything you need to know to make your own striking topiaries and sculptural displays using both living and dried plants. Easy step-by-step instructions for planting, training, pruning, clipping, and caring for your topiary make this the complete guide to creating dramatic, decorative accents. Among the 25 stylish projects to suit your every room and every season, you'll find: * Fragrant lavender in a cast-iron urn *

Triangular flowering winter jasmine in a Japanese container * Multi-colored dried helichrysums in a fantasy tree *
Cinnamon and other spices used to create a room scenter * Spherical bay tree hung with oranges in a decorated
container
