Beautiful Illustrations Easy to Follow Directions!By Kbp201Annie Sloan's books (I purchased 6) are all beautifully illustrated and have very clear concise directions for an amateur do-it-yourselfer. I loved every single one of these books and the projects I've done through the use of these books have come out very well. I am very pleased and highly recommend them. These books are for beginners as well as experienced

I love having this on my Kindle app on my iPad and refer to it frequently when I'm deciding on projects. It is a great companion to Annie Sloan's website (anniesloan.com) and the wealth of information on her site as well as Annie Sloan's YouTube channel. Since i took an Annie Sloan Chalk Painting Class, I visual everything in terms of how I could change it with Chalk Paint!0 of 0 people found the following review helpful. InspiringBy WriterThe projects in this book look possible. The steps to repurpose these items are very doable. Even by a novice like me. I am eager to begin and try my hand at chalk painting and waxing. One question I have, however, is how long do these surfaces hold up?

With this book in one hand and a brush in the other, you can learn how to create different paint finishes and effects to change everyday rooms and furniture into something special, all for the price of a pot of paint. The first section of the book tells you everything you need to know before you start how to prepare surfaces properly, choose the right paint for the right place, and use the best tools. Then, the 50 projects are divided into five sections: Aging and Distressing; Working with the Base; Working with Color; Handpainting; and Crackle, Gilding, and Decoupage. There are step-by-step images showing how to achieve the finished look, before shots and inspirational photography showing the effects used on walls and doors, furniture and floors. Learn how to bring old second-hand furniture bang up to date, or how to give modern pieces a softly aged appearance, as well as ways to treat and transform floorboards, doors, and plastered walls. Whatever the style of your interiors, Quick and Easy Paint Transformations will show you the best way to makeover your home.

About the AuthorAnnie Sloan is one of the worlds most respected experts in the field of decorative painting. She runs highly successful workshops from her shop in Oxford, and teaches in Europe and the US. She has written 10 books, including *The Painted Garden* (Laurel Glen, ISBN 978-1-571459-27-5), *Annie Sloans Painted Kitchen* (Laurel Glen, ISBN 978-1-592231-84-3), and *Creating The French Look* (CICO, ISBN 978-1-906094-34-8), and has featured prominently on PBS television and the Homes Gardens TV channel. She also sells her own ranges of paint and French fabric, as well as vintage furniture, much of it from France, where she has a home.
