I was intimidated to do such work, but this book really breaks it down to the nitty gritty and shows how anyone can reupholster to the quality level of professional work. Can't wait to start some projects!0 of 1 people found the following review helpful. DissapointmentBy Jo BatesQuick and Easy were highly deceptive adjectives. Nothing in the book was quick and it certainly was not easy. I have upholstered several chairs over the years but felt the need for some guidance and refreshing on techniques. I looked through this book and promptly sent it back. This is the first time I have returned a book to .6 of 9 people found the following review helpful. I am going to do this.By E. McDowellI have wanted some chairs recovered it can't be that hard. This book shows you what you need what is involved. I can do this. If you sew you have half of it conquered.
