Bob Bennett : Rabbit Housing: Planning, Building, and Equipping Facilities for Humanely Raising Healthy Rabbits before purchasing it in order to gage whether or not it would be worth my time, and all praised Rabbit Housing: Planning, Building, and Equipping Facilities for Humanely Raising Healthy Rabbits:

3 of 3 people found the following review helpful. I'm 1/2 crazyBy Carol P.Worth the purchase price !Picked up a few interesting ideas and concepts to incorporate into my next design (one of the main reasons for my existence). Animal comfort and well being should never be sacrificed (my opinion) and ease of feeding,caring and maintaining made better (and easier) is an never ending quest-to that end a good book stokes the mind !1 of 1 people found the following review helpful. I built my own rabbitry based off this book. ...By BillI built my own rabbitry based off this book. Both

the building plan and cage plans. I'd buy it again.0 of 0 people found the following review helpful. Great information.By SHVVery pleased with this book. My son and I read it during vacation, it was so good.

Create a safe, sanitary, and efficient home for your rabbits. In this informative guide, Bob Bennett provides clear step-by-step instructions for building attractive all-wire hutches of all sizes, with additional tips for adding the necessary accessories like feeders, watering systems, nest boxes, and fencing. From the direction a hutch door should swing to proper ventilation and protection from predators, Bennett covers everything you need to know to create a housing structure that will help promote a healthy and productive rabbit-raising operation.

From the Back CoverThe Best Hutches for Your RabbitsProvide a secure environment for your rabbits with a well-built rabbitry. Rabbit-raising expert Bob Bennett has built more than a few hutches over the years, and he shares his plans for designing and building efficient facilities for sheltering backyard rabbits in safety and comfort, whether it's just two or as many as one hundred. If you're interested in growing into a large-scale commercial operation, Bennett will help you begin your expansion, too. Profiles of rabbit owners across the United States offer first-hand accounts of successful housing projects, lessons learned from those that were less successful, and inside glimpses of innovative methods and unique facilities.
